

# MOONBEAMS® HELPER

## OVERVIEW

Moonbeams learn why it is important for everyone to contribute to groups they belong to, including their families and Moonbeam troop. They gain personal empowerment while learning to contribute by helping others with small tasks.

## OBJECTIVES

To earn this emblem, Moonbeams need to listen to *The Little Red Hen*, complete at least one activity from each section and the Bible lesson.

## GROUP ACTIVITIES

### ANIMAL CHARADES

Have one of the Moonbeams act like a farm animal (no noises allowed), while the others try to guess which animal it might be. Have each Moonbeam take a turn acting like a farm animal.

When children tire of the game, talk about ways the animals might have helped the little red hen. (Ideas: Dig the dirt to plant the seeds, care for the baby chicks, etc.)

## FARM ANIMAL SOUNDS

Learn about the different farm animals in the story. Have the children imagine how each animal might sound. In your best little red hen voice, ask, **“Who will help me plant (pick, grind, bake, etc.) the wheat?”**

Have children respond, **“Not I,”** using their best pretend animal voices.

## HELP AT HOME

Discuss the story. Ask the children, **“Who did all the work?”** Explain that in every home there are many jobs to be done.

Name various chores and ask children who in their home is responsible for each job. Is one person doing most of the work?

Have the Moonbeams think of ways they can help with chores at home. (Ideas: dust, fold wash clothes, match up the socks, wipe the table, etc.)
