

Martin Luther was born on November 10, 1483.

**Martin Luther's parents wanted him
to become a preschool teacher.**

**When Martin Luther was a boy, all of the songs,
Scripture readings, and sermons in church were in Greek.**

Martin Luther joined a monastery.

**Martin Luther was a professor of music
at the University of Wittenberg.**

**Martin Luther made a list of the 95 things he didn't agree
with, and nailed it to the door of the church in Wittenberg.**

Martin Luther started something called the Reformation.

Martin Luther translated the Bible into German.
